Early registration is urged: the registration fee is \$200 if received on or before October 22, 2008, and \$250 if received later. Multiple registrations from a single group or agency can be paid in a single check or credit card transaction so long as each registrant submits a separate registration form. Registration on-site will be at the higher rate, and must be done with a check or money order (no cash or charges). The conference registration fee includes two lunches, a reception, all breaks, and a copy of the proceedings. An additional fee is required for the optional one-day field tours to cover the costs of the transportation and provided lunch. Because of space constraints, each tour is limited to 40 people.
